Relevant courses: Microeconomics 1, Macroeconomics 1-2, Econometric Methods 1-2, Time Series Analysis, Advanced Time Series, Macro-Finance, Labor Economics, Foundations of Data Science

- **Athens University of Economics and Business (AUEB); GPA: 8.17/10** Athens, Greece

Bachelor of Science in Economics (Track: Economic Theory and Policy) 09/2018– 06/2023

Salutatorian (2nd highest GPA (top 3%) in my graduating class)

Relevant courses: Macroeconomics, Microeconomics, Econometrics, Game Theory and Uncertainty, Industrial Organization, Public Finance, Monetary Theory and Policy

PROFESSIONAL EXPERIENCE

- **Hellenic Foundation for European & Foreign Policy (ELIAMEP)** Remote

Research Economist (Internship) 05/2024–08/2024

- I collected and analysed data about the start-up ecosystem, conducted literature review and co-authored the final report on the effects of the MIT Enterprise Forum incubator in the startup ecosystem.

- **Self-employed** Athens, Greece

Private tutor 07/2023–08/2023

- I taught Mathematical Economics and Introductory Microeconomics to undergraduate university students.

- **Hellenic Gaming Commission** Athens, Greece

Economist (Internship) 07/2022–09/2022

- I conducted data analysis and manipulation of financial-related data (revenues, expenditures and profit margins of gaming companies).
- I implemented statistical analysis of data and created a framework for finding out companies with abnormally high revenues and profit margins, in order for the Hellenic Gaming Commission to make targeted inspections.

PUBLICATIONS

- **Kolokythas A. (2022)** How public investments in green transition can boost Greece's productivity?, Proceedings of the 28th Economia Student Essay Contest, Economia Publishing (Kerkyra Publications), (in Greek)

SCHOLARSHIPS & AWARDS

- **N. Themelis Memorial Scholarship, Prime Minister of Greece Constantinos Simitis Foundation, 2023**
Merit-based scholarship to cover tuition for the Master of Science in Economics at the Barcelona School of Economics.
- **5th prize in the 28th Economia Essay Contest Student, 2022**
- **Distinction in the Euroscola Contest, 2018**
- **INTRAWAY LTD-Management and Technology Consultants, 2017**
Scholarship to attend the 7th Youth Entrepreneurship Summer School at the Athens University of Economics and Business (AUEB).

VOLUNTEERING & OTHER ACTIVITIES

- **Entrepreneurship and Startups Research Network (ESRN)** Lesvos, Greece
Editor in Chief 08/2022–08/2023
 - I managed a team of undergrad students, with whom we created and published a variety of short videos about entrepreneurship as well as some articles about this topic.
 - I took part in the writing of a couple of those articles. Additionally, I provided editing and proofreading for the articles written by the other members of the team.
- **Greek Army** Lesvos, Greece
Private 11/2022–08/2023
 - During this period I served the mandatory military service in my country, Greece.
- **Unique Minds** Athens, Greece
Student Volunteer 03/2022–06/2022
 - I presented my undergraduate department and provided consultation to interested high school students.

LANGUAGES AND TECHNICAL SKILLS

- **Languages:** Greek (Native), English (Fluent–C2), French (Intermediate–B1)
- **Programming & Tools:** Python, R, Stata, MATLAB, Julia, LaTeX, SPSS, Git
